WHY WON'T THE RINGING STOP?

Where did I really go? Please oh please oh please

There is something wrong inside of me. When I look into the mirror, it is not Phinneus Heavy Pocket who is staring back. It's as if someone else is living in my brain! I swear they are trying to tear their way out. It started when Nirabar came to me. He... I can't remember. Why can't I remember what he did to me??

The 7th circle

At night, I dream of a terrible being. He lurks in the background, watching me. I could be at dinner with my family, yet his hideous face and horned skull will glare at me from a doorway. I cannot escape!

I woke up an hour ago, surrounded by the mutilated bodies of the Gossip staff, their blood on my hands. Did I do this? I can't remember. I can't remember! I'm a life coach, I don't have it in me to kill. Or maybe everyone has it inside of them, locked away deep, where they don't have to look it in the eye.

The 7th Circle

We are all just a collection of terrible secrets, held together by spiderwebs of self-loathing. To admit the truth is to go mad.

Why can't I wake up? This must still be a dream. (cont)
